Germany
E-Mail: info@Steinco.com
Phone: +49 (0)2196 943-0

2. Sole responsibility

The sole responsibility for issuing this declaration of conformity lies with the manufacturer, STEINCO Paul vom Stein GmbH.

3. Subject of the statement

This declaration applies to all packaging or packaging materials used by STEINCO (see Appendix 1)

4. Declaration of Conformity

STEINCO Paul vom GmbH hereby declares that the materials listed above meet the relevant requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR) when used as intended.

5. Specific requirements of Regulation (EU) 2025/40

Article 5 – Substance restrictions

The packaging materials comply with the applicable limits for heavy metals (sum of lead, cadmium, mercury and hexavalent chromium < 100 mg/kg). For plastics and coated materials, compliance with the restrictions on per- and polyfluorinated alkyl substances (PFAS) is guaranteed.

Declaration of Conformity

in accordance with Regulation (EU) 2025/40 (PPWR)

Article 6 – Recyclability

All materials listed in Annex 1 (including corrugated boards, wooden pallets and films) are designed to be mechanically recyclable and meet the criteria for large-scale recycling.

Article 7 – Recyclate content

The statutory minimum quotas for post-consumer plastic recyclates are complied with for the plastic content used, provided that they are subject to the obligation. This article does not apply to pure paper, wood and cardboard materials

Article 9 – Minimization of packaging

The materials supplied have been reduced to the minimum weight and volume necessary for the protective function.

6. Technical documentation

The technical documentation required for the assessment of conformity in accordance with Annex VII of Regulation (EU) 2025/40 is available in the company and is kept available for official market surveillance.
